

## DEFEND TEXAS JOBS

### WE NEED YOUR SUPPORT!

#### **We need your help to save 3,400+ jobs at the BAE Systems facility in Sealy!**

- The Sealy FMTV (US Army Family of Medium Tactical Vehicles) Task Force has been formed with the support of Congressman Michael McCaul, Senator Kay Bailey Hutchison, Senator John Cornyn, and Governor Rick Perry, along with Counties, Cities, Economic Development Organizations, and Chambers of Commerce in the area.
- The mission is to support BAE's protest of the Army's decision to move the \$3 billion dollar BAE Systems FMTV contract to another company in Wisconsin.

#### **Impact of the contract loss in the Sealy, Katy, and Houston regions:**

- 3,400 direct jobs, 6,766+ indirect & induced jobs.
- \$1.8 billion annual economic impact to the Sealy and Houston economy.
- BAE has 17 years of experience and skilled employees which have earned the Army's "ultra-reliable" designation for the BAE FMTV's.

We urgently need all **concerned citizens** to support the protest of the Army's decision to move the \$3 billion dollar BAE Systems FMTV contract to another company in Wisconsin.

By signing this letter you are supporting the Sealy FMTV Task Force mission and asking Mr. Robert Gates, Secretary of Defense, and Mr. John McHugh, Secretary of the Army, why they are wasting taxpayer's money to relocate a successful existing manufacturing company to another location, as well as the negative impact it will have on the State of Texas especially in the time of war.
